

**PROCLAMATION.**  
By his Excellency JAMES L. ORR, Governor of the State of South Carolina.  
INFORMATION has been communicated to this Department, by the Hon. William Seward, Secretary of State, that the President of the United States has relieved the Hon. Benjamin F. Perry from the further discharge of his duties as Provisional Governor of the State, and has remitted the "care and condition of the proper affairs of the State to the constitutional authorities chosen by the people thereof."  
This intelligence will be highly gratifying, as it is an important step in the early restoration of the people to the enjoyment of all their civil rights. It is the harbinger of the re-establishment of those friendly relations, in every section of the Union, which have been so long alienated and estranged.  
In retiring from his position, Governor Perry carries with him the thanks of the people of South Carolina, for the wisdom, zeal, fidelity and ability with which he discharged the grave, delicate and important duties of his office.  
In entering upon the office of Constitutional Governor, it is proper that I should declare the present status of the State to the Executive Department of the Federal Government, and to the military authorities acting under the instructions of the President; so that the people knowing, may yield prompt obedience to all lawful authority.  
The order suspending the writ of *habeas corpus*, issued by the President, has not been modified or revoked in this State, and the military authority is, therefore, paramount in all such matters as they are instructed to take jurisdiction of, and as such will be respected by all orderly and law-abiding people.  
The military claim jurisdiction in all cases of disloyalty to the Government and refractors of its laws; to preserve order and discipline in and near their garrisons; to adjudge and determine all controversies in which freedmen or freedwomen and whites are engaged, including violations of State laws by freedmen; in all cases of wrong or injury done to its officers and soldiers; and is an auxiliary in aiding Treasury agents to recover United States property, and the Freedmen's Bureau in supervising contracts for labor with freedmen. Whenever a person, therefore, is arrested by military authority on either of the above grounds, they have jurisdiction of the case, and are instructed not to obey any writ of *habeas corpus* for the release of such person.  
I therefore advise and admonish the people of this State not to allow themselves to be inveigled or seduced by bad or misguided men into collisions with the military authorities. If the order of an officer is arbitrary or oppressive, upon proper representations to the District Commanders, or to the distinguished Commander of the Department, adequate and prompt redress will be afforded, and the wrong done properly punished.  
In all controversies between citizens, arising out of wrongs or injuries done to person or property, and in all violations of the penal code by citizens, the laws are in full force, and the courts will be opened henceforth on every circuit to administer law and punish crime. The vicious, the lawless and the desperate will speedily be overtaken by justice and the majesty of the law established and vindicated.  
The colored people of this State, who have neither land nor capital, are earnestly admonished to make contracts at once for labor for the next year. They may be assured that the Government will not give them lands, stock or agricultural implements; nor will any food hereafter be furnished to those who are able to work. Those who will not work will very soon be immersed in vice, crime and disgrace. If the colored people really desire to elevate their race and make themselves respectable, it can only be attained by sobriety, industry, economy and honesty.  
It is the duty of the citizen, as it is a wise policy, to treat the freedmen with kindness, humanity and justice; and aid him to ameliorate and elevate his condition. Under such a policy, a majority of them will labor patiently and faithfully, and the eye will be greeted everywhere with blooming fields, fruitful harvests and well filled granaries. Given under my hand and the seal of the State, in the city of Columbia, this twenty-fifth day of December, in the year of our Lord one thousand eight hundred and sixty-five, and in the nineteenth year of the independence of the United States of America.  
JAMES L. ORR.  
Wm. R. ROY, Secretary of State, S. C.  
All the papers in the State copy once and send them to Executive Office, Columbia.

**PROSPECTUS**  
OF THE  
**SOUTH CAROLINA BAPTIST.**  
THE undersigned has determined early in January, 1866, to commence the publication of a weekly Religious Journal, at Anderson, S. C., to be entitled THE SOUTH CAROLINA BAPTIST.  
It will be the first great aim of THE SOUTH CAROLINA BAPTIST to convey the general news in relation to the Denomination at large, thereby rendering it an interesting and attractive companion in every Baptist family. No expense or effort will be spared to secure the earliest and most reliable information of the important and interesting workings of Baptist Churches in general, together with the operation of our Missionary Boards, and every benevolent institution and enterprise of the day.  
Therefore, while THE SOUTH CAROLINA BAPTIST will be strictly Denominational, "earnestly contending for the faith once delivered to the Saints," zealously contending for the Truth, and combatting error and superstition in every form in which they present themselves, yet these opinions will be expressed with that kindness and affection becoming a professed Christian.  
The columns of the paper will also be opened to those who may disagree with the opinions expressed.  
As this will be, perhaps, the only paper taken by many in this community—visiting, it may be, the humble abodes of some unable to take others, it is deemed proper and important, in judiciously arranged columns, to give all the important local, political and literary news of the day, rendering it, in every sense, a family paper.  
The paper will be of medium size, well printed, having the benefit of superior materials, and the entire office management being under the immediate superintendence of experienced printers.  
The necessary capital to start this enterprise having been secured in advance, the services of some of our ablest brethren, in this and other States, pledged as contributors and corresponding Editors, and all the necessary arrangements having been deliberately made with reference to stability and good faith, all who may feel inclined to favor the enterprise may confidently subscribe, and remit advance payments, assured that there will be no disappointment.  
The Editor, having been partially disqualified for the arduous duties of the Pulpit, for four long years of hardship, exposure and service in our country's cause, feels impelled to resort to this as a means by which, under the blessing of Providence, he may assist in rebuilding the waste places of Zion.  
The mails will be in regular operation again by the time of the publication of the paper, and this being the first enterprise of the character ever established in Anderson, he hopes to secure promptly the aid and co-operation of all who love the Lord.  
Terms for One Year, in advance.—Two Dollars in Specie, or Three Dollars in Currency. Ministers of the Gospel, Post-Masters, and others who will aid, are authorized to receive and forward subscriptions. Address,  
W. E. WALTERS, Editor, Anderson, S. C.
